

Boston Children's Hospital Community Education Initiative

Sponsored by Medicine Patient Services

Boston Children's Hospital

Until every child is well™

What is a professional day?

Many school systems have days during the school year for professional education for nurses and other staff. The Community Education Initiative at BOSTON CHILDREN'S HOSPITAL offers a program of lectures that include the most current issues related to school health. For programs held at BCH, observational clinical experiences are offered in the ambulatory clinics as well as in-patient settings.

+

Where is a professional day?

We offer a few options:

- At Boston Children's Hospital
- At your school or community location
- Evening programs available

How can I arrange a professional day for my school?

- Review the fee schedule
- Complete the professional day request form
- Discuss program details with one of our program coordinators:

Stephanie Porter:

stephanie.porter@childrens.harvard.edu OR

Heather Enholm:

heather.enholm@childrens.harvard.edu

+ Professional Development Fee Schedule

- 2 hour program: \$500
- 3 hour program: \$750
- 4 hour program: \$1000
- 5 hour program: \$1250
- 6 hour program: \$1500

What is included in the fee?

Lectures by BCH professionals, program coordinator on site, nursing contact hours, electronic handouts, Clinical *(only for programs at BCH)*

Additional Fees for travel to programs that are outside of a 50-mile radius from Boston Children's Hospital will be added onto the program costs listed above.

Once your day's agenda has been confirmed you will receive an email confirming dates/times and an invoice based on confirmed agenda. You will then need to generate a purchase order for the program. The purchase order needs to be on file in our office prior to the program date. Once the professional development program has taken place your district's business office will receive the final invoice.

For professional development days held at Boston Children's Hospital, food and beverage is optional for an additional fee. Also reduced rate parking vouchers for an off-site parking garage can be purchased for \$10 each. BCH Shuttle service is available to take you from garage to main campus.

Collaborate with other school systems, if you have the same date for your professional development, and split the cost!

For more information please contact either

**Stephanie Porter @ 857-218-4333 stephanie.porter@childrens.harvard.edu OR
Heather Engholm @ 857-218-4331 heather.engholm@childrens.harvard.edu**

+ Professional Day Request Form

Are you already planning programs for the next school year? In order to better serve you and so you don't miss out on the scheduling of your program for next year, we are asking that you reserve the date for your professional development day NOW!

Please keep in mind that if we do not have current nursing contact hours for a topic requested, we will need 90 days in order to properly submit a new application. If there is not sufficient time to process, a certificate of attendance can be awarded.
