

How to Access Basic Boot Camp in Clinical Research Presentations

To access NetLearning from a home computer, use IE 11, Chrome or Safari and go to:
<https://lms.netlearning.com/mynetlearning/BostonChildrens>. Do not use VPN.

1. Click “Learning Opportunities (Enroll)”
2. Enter the following titles one at a time and click “Enroll” after each one
 - a. Communication Skills: cross checking and SBAR
 - b. Navigating the Clinical Environment & Delegation of Responsibility
 - c. Best Practices for Documentation in Clinical Research
3. The titles will be added to your “To Do List”
4. Click “Launch” to watch each presentation
