Safety is our main goal

These are challenging times. To ensure everyone's safety it is important for us all to take additional protective measures as we reopen the research enterprise.

Three fundamental actions will be important for us to do, so we achieve our goal, to stay healthy & safe!

1. Practice physical distancing
2. Practice good hand hygiene
3. Wear your mask

It Is Your Responsibility to...

1. Read and understand this training presentation.
2. Schedule your work in advance to ensure physical distancing.
3. Attest to your health daily and prior to entry.
4. Obtain and wear the hospital-provided mask while in BCH facilities.
5. Adhere to all requirements for maintaining physical distancing.
6. Report to BCH Occupational Health (OHS) any COVID-19 symptoms.
7. Follow all health and safety rules.
8. Clean your area before and after your work.
9. Wash your hands frequently.
